NewsNow needs your help

NewsNow needs you.

As you may or may not be aware, good reader, Canada Post workers are now in a legal strike position as of this Sunday, Nov. 3.

In the event of a work stoppage - the important news of our community, the largest fundraising and food drives for food banks of the year and other key information does not stop - and neither will NewsNow.

We have a solid circulation plan ready.

If there is a work stoppage of a length which will impact an edition, NewsNow will adjust:

- Carriers will provide door-to-door delivery in all urban areas of Niagara West;
- A large roster of store drops (grocery stores, coffee shops, seniors homes) will be set up to allow for anyone missed or who lives in a rural area to conveniently pick up a copy.

We have an excellent base set, but we need more carriers in all communities to ensure all routes are covered - particularly in Grimsby where there are more routes than all the other routes of all the other communities combined.

We are not looking for volunteers. Carriers will be paid 10 cents/copy. This would be a good fundraiser for a sports team, church or service club - any group, really. Some may want to help and donate their proceeds to their favourite charity - just a suggestion of possibilities.

Our ask:

^a Call our office, 289-235-9500, if you can help with a route in your neighbourhood. Papers will be dropped at your home on Wednesday for delivery that day or the next. Each route is designed to take 45 minutes to an hour.

• Email mike@wn3.ca with your name, address and phone number.

We will provide elastics to roll and wrap papers so they don't blow away - no plastic bags.

Please take the time to consider helping out - if need be. We would really appreciate it. M.W.
